How to get a "Specified Residence Card"

If you are moving to Miyagi

- You can apply when you register your address at a city hall, ward office, or town/village office.

If you already live in Miyagi

- At the Sendai Regional Immigration Services Bureau, you can apply along with extending your period of stay, changing your status of residence, etc.
- At the Sendai Regional Immigration Services Bureau, you can also apply to switch a regular Residence Card to a Specified Residence Card, even without an extension, etc.
- At a city hall, ward office, or town/village office, you can apply along with your change-of-address procedure when you move.

How to get your points

For Specified Residence Card holders not yet registered in Miyagi Disaster Prevention

First, download the Miyagi Official App "PocketSign."

Next, scan your "Specified Residence Card" or "Specified Special Permanent Resident Certificate" with your smartphone.

Download the Miyagi Official App "PocketSign" and register your Specified Residence Card.

Open the "Miyagi Point" app and go to the page for receiving points.

The password must be at least 6 characters (letters and numbers).

If you have not registered in the "Miyagi Disaster Prevention" app yet, register first.

After registering in "Miyagi Disaster Prevention," return to "Miyagi Point" and go to the page for receiving points.

Tap Agree (OK) and enter the password for your Specified Residence Card.

Using the illustration for reference, enter your Specified Residence Card number.

Scan your Specified Residence Card with your smartphone.

If it is scanned correctly, you will get your points.
